Inspired by Luxury

Arakelian SARL was founded in **1947** and has since then achieved ongoing successes, becoming a world **leader** in the manufacturing of **quality jewelry boxes, coverings and paper bags**.

For the past decades, the company has sought to preserve and build on the legacy of its founder **Jean B. Arakelian**, a pioneer in the industry of jewelry box designs and production. Mr. Arakelian brought **inspiration** and **vision** to a team of ambitious businessmen. Longtime customers remember Arakelian's founder as a caring individual who made every purchase an **experience of excellence**. Jean B. Arakelian's spirit emanates across the organization today, with every employee working hard **to exceed customers' expectations**.

Our Vision is to **expand** further in the **Middle East, Europe** and **beyond**, reaching out to **quality jewelers** in search of **luxury packaging** for their products, and to **always exceed their expectations**.

Quality at Arakelian

Arakelian's philosophy is driven by a fascination with quality.

This means that production is guided by stringent inspection criteria carried out by trained quality controllers at all times, in order to better service our customers. We pay a painstaking **attention** to **the finest detail** and **deliver splendidly fitted solutions**, rather than just products.

Our Mission is to **design** and **create** only **high-end packaging** that abide by **meticulous quality control processes** carried out by a team of experts trained and handpicked by the Arakelian executive management team.

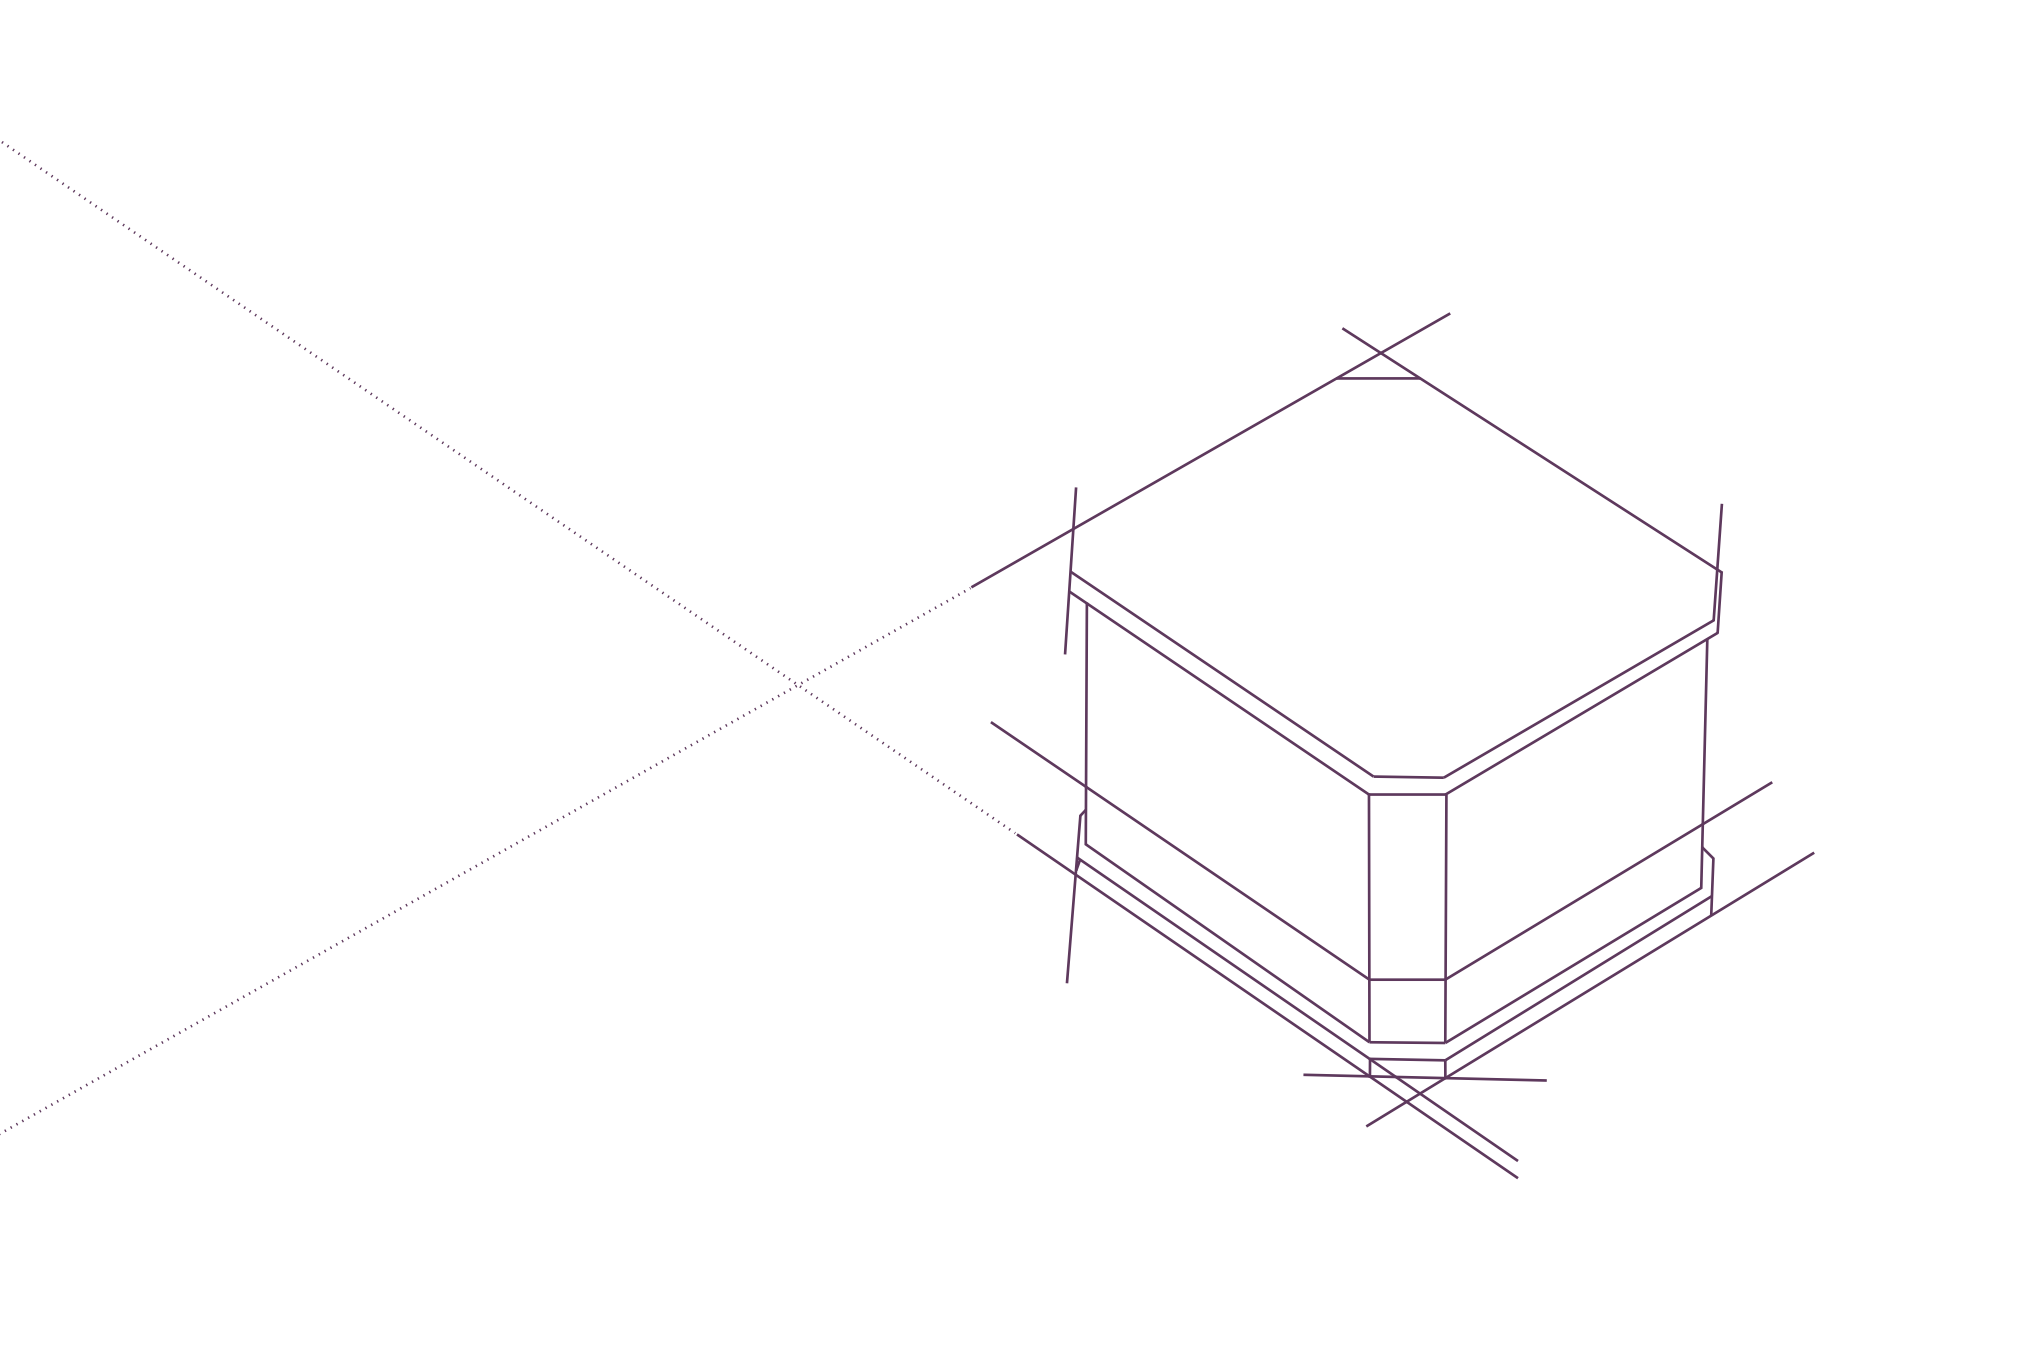

PRODUCTS

Arakelian stocks a wide range of Packaging for Jewelry. Our **unique skills** and **innovative vision** enabled us to conceptualize diverse and **rich ideas** and **designs** that stand out.

BOXES

design **01**

Thanks to a solid and sound infrastructure, Arakelian is highly capable of designing an attractive range of Jewellery Box responding to different tastes.
